

Hello Parents!

As the school year begins, we have been working diligently with our local, county, and state officials to offer a combination of remote-learning and afterschool accommodations for the year. We currently have permission to run this program until September 22nd. During this time we will work to finalize an extended agreement with Randolph County Schools. Please remember as phases change, program details and prices are subject to change as well.

Our current plan consists of three options, one of which must be chosen at the time of registration. All options are \$85.00 per week for Residents, and \$105.00 per week for Non-Residents. **Your choice should correlate with your child's "A" or "B" placement at their school and cannot be changed once you register:**

- **Option One: "A Day"**
 - An afterschool accommodation will be offered on Monday and Tuesday afternoons until 5:30 PM where activities and an afternoon snack will be provided. Transportation is included from local Archdale-Trinity schools.
 - A remote learning accommodation will be offered on Wednesday, Thursday, and Friday from 7:30 AM to 5:30 PM where students will have an allotted amount of time to complete remote learning assignments along with fun activities and social time. An afternoon snack will be provided, but students must pack a lunch and morning snack. Transportation is not included on remote learning days.
- **Option Two: "B Day"**
 - An afterschool accommodation will be offered on Thursday and Friday afternoons until 5:30 PM where activities and an afternoon snack will be provided. Transportation is included from local Archdale-Trinity schools.
 - A remote learning accommodation will be offered on Monday, Tuesday, and Wednesday from 7:30 AM to 5:30 PM where students will have an allotted amount of time to complete remote learning assignments along with fun activities and social time. An afternoon snack will be provided, but students must pack a lunch and morning snack. Transportation is not included on remote learning days.
- **Option Three: "Remote-Learning Only"**
 - A remote learning accommodation will be offered on an "A" Day rotation or "B" Day rotation. During full day rotations students will have an allotted amount of time to complete remote learning assignments along with fun activities and social time. Students will need to pack a lunch and a morning snack; we will provide afternoon snack. Transportation is not included with this option.
 - "A" Day rotation will be 7:30 AM to 5:30 PM on Wednesday, Thursday, and Friday and 3:00 PM to 5:30 PM on Monday and Tuesday.
 - "B" Day rotation will be 7:30 AM to 5:30 PM on Monday, Tuesday, and Wednesday and 3:00 PM to 5:30 PM on Thursday and Friday.
 - We will try to accommodate your pick in the "A" or "B" rotation but cannot guarantee which rotation you will be placed in.

There will be a limit on the number of participants allowed to register for each of these programs in order to maintain social distancing and group separation. There will also continue to be extensive cleaning and sanitation along with mask requirements according to the guidelines provided by the Governor, the CDC, and the NCDHHS.

Registration will begin Wednesday at 6:00pm for our Summer Camp and Afterschool Care participants, any remaining spots will open to the public on Thursday at 12:00pm. All registrations will be taken through our online site; first come, first served.

Thank you for your patience as we work through this process together.
